

Application Form

Please read the instructions below before completing the Application Form.
For each project, a new application form must be lodged.

Instructions for completing the Dubai Industrial City Application Form

Section 1 | Company Information

a | Company Details

Please provide complete contact information. Additionally, the corporate status of your company is to be indicated in the Entity Type section.

A Limited Liability Partnership (LLP) is to be considered an LLC. If the company is yet to be formed, please state the proposed name of the company and its expected Entity Type.

b | Parent Company Information

If your company is to be a branch or subsidiary of another company, you will need to fill in the parent company's information.

c | Shareholders in the company to be setup in Dubai Industrial City and their share allocation in percentage terms.

d | Contact Person for all Communications

The person that will be the contact point between Dubai Industrial City and your company. Please provide contact numbers with ISD/local dialling code numbers.

e | Proposed Activities within Dubai Industrial City

List the primary activity of the company and the main products and services. You may use a separate sheet to submit additional information. Please attach a summary of your industrial activities, overall production process sequence and a summary of the likely environmental impacts.

Section 2 | Facilities and Services

a | Facilities Required

Please provide specific information related to your project. 'Land Developed' is the percentage of the total land that you will build on, factory and warehousing.

b | Workforce

Indicate the number of people you will be employing in mature operational years per position/grade.

c | Power and Utility

For electricity, indicate any special requirements you may have besides the kwh/month rate. Examples would be special voltage/transformer requirements. The fuel requirements are important for infrastructure and safety planning, so please be as accurate as possible.

Section 3 | Raw Materials

a | Types of Raw Materials

This information will help us better serve you through the clustering of your industry value chain around your location to the extent possible.

b | Raw Material Import Volumes

Please indicate your import volume requirements in the first year of FULL Operations. We recommend the growth rate to be a 5-10 year CAGR (Combined Average Growth Rate).

Section 4 | Project Information

a | Area of Investment

This information is solely to provide Dubai Industrial City with information on the Foreign Direct Investment (FDI) it is receiving. Reinvestment of the earnings of a current foreign owned company is also considered FDI, as well as machinery or other capital equipment contributed to the company as equity by a foreign investor. All figures should be in UAE Dirhams.

b | Hazardous Material

In this space, fill in the primary hazardous products (final or intermediary) or waste/effluent that your company will generate. Type of hazard class will be based on local regulations.

c | Certification Held

List all certifications that you currently have or plan to have in the near future. Both international generic (e.g. ISO) or industry specific (e.g. HACCP). Note: Industrial facilities within the city will be required to comply with QHSE performance standards as stipulated by Dubai Industrial City.

d | Target Market

Please indicate the target markets of your products.

Section 5 | Other

a | Kindly answer all relevant questions in this section. It will allow us to better understand your requirements and be prepared to serve your needs.

Section 6 | Confirmation

a | Any incomplete section(s) is/are likely to delay processing of your application by Dubai Industrial City.

Section 1 | Company Information (please use capital letters)

a) Company Details

Company Name (English) _____
(Arabic) _____

PO Box _____ City _____ Country _____

Physical Address _____

PO Box _____ City _____ Country _____

Tel () _____ Fax () _____ Website _____

E-mail _____

Company Type

Sole Proprietorship Joint Venture LLC Partnership

Company Origin

UAE AGCC International (please specify country) _____

b) Parent Company Information (if different from section 1a)

Company Name _____

Physical Address _____

PO Box _____ City _____ Country _____

Tel () _____ Fax () _____ Website _____

E-mail _____

Please attach copy of registration/trade licence.

c) Shareholders in the Company to be setup in Dubai Industrial City

1. Name _____ Nationality _____ % of Ownership _____

2. Name _____ Nationality _____ % of Ownership _____

3. Name _____ Nationality _____ % of Ownership _____

4. Name _____ Nationality _____ % of Ownership _____

Please attach passport copies.

d) Contact Person for all Communications

Name _____

Relationship to the company _____

Address _____

* Tel/Office () _____ Tel/Mobile () _____
